**Financial Impact (Check those that apply)**

X No financial impact (If checked, go directly to Background/Supporting Information).

**Background/Supporting Information Attached**

The Department is requesting to enter into a five year agreement with the University of Minnesota School of Nursing to provide education and training opportunities for clinical experiences to nursing students through the School Based Clinic (SBC) program. SBC staff provide clinical supervision for undergraduate and graduate nursing students as time permits. These internships are unpaid and City costs are related to staff supervision of the students.
